PRIME LED NCF LUMINAIRES

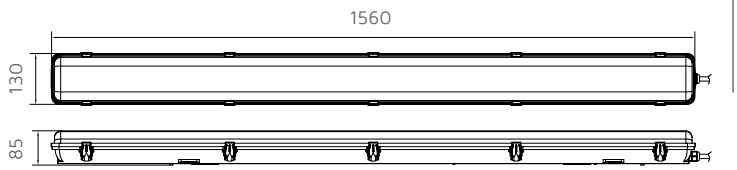
80W 1500mm (5ft)
5500K 8000lm

CE RoHS

IES Data Files available

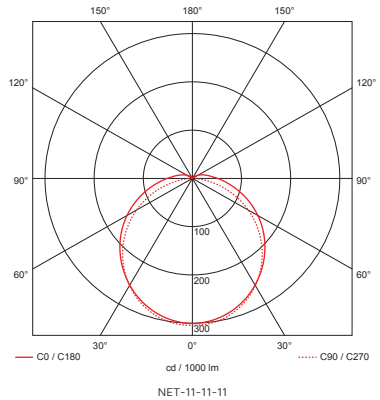
PHILIPS
DRIVER AS STANDARD

DIMENSIONS



All units are in mm

LIGHT DISTRIBUTION CURVE



AVERAGE BEAM ANGLE: 120°

KEY DATA

Power	80W
Luminous Flux	8000lm
Colour Temperature	5500K
IP Rating	IP65
Dimensions	1560x130x85mm
Warranty	5 Years Extended

Part Number: NET-11-11-11

TECHNICAL SPECIFICATIONS

Input Voltage	220-240V AC
Power Factor	>0.95
LED Luminous Flux	9400lm
Luminous Efficacy	>110m/W
LED Manufacturer	Honglitronic
LED Type	SMD2835
No. of LEDs	416
Driver Manufacturer	2 x Philips 40W
Driver Output Voltage DC	36-42
Total Circuit Power (W)	80+/-5W
Electrical Class	1
Colour Rendering	>80 CRI
Lamp Viewing Angle	120°
Dimmable	No
Operating Temp.	0 to +45°C
Lifespan	50,000 hours
Fire Rating	V-0
UGR Rating	22
Diffuser/LPG Material	Polycarbonate
Housing Material	Polycarbonate
Housing/Frame Colour	Grey
Weight	3.1kg

TYPICALLY REPLACES

- 2 x 70W T8 fluorescent.

FEATURES & BENEFITS

- Weather and dust-proof IP65 rated housing.
- Stainless steel retaining clips.
- Easy-mounting clips.
- NOT compatible with 3 Hour Emergency.

NET LED LIGHTING

The Commercial LED Lighting Specialist

We appreciate that purchasing quality LED lighting products from suppliers that consistently deliver excellent results and value for money is tough in any market, especially with the number of manufacturers growing monthly. Our aim is to be a supplier that you can trust, with credibility and a track record of providing quality, innovative products at competitive prices.

NET LED was established in 2009 and partners with manufacturers based in the UK and around the world to distribute a wide range of commercial LED products on their behalf.

We distribute through national electrical wholesalers, being a preferred supplier in many cases, and through hundreds of independent electrical wholesalers.

Operating from purpose-built offices and warehouse distribution facilities in Cambridge, we hold large stocks available for same day dispatch for orders placed up to 5 p.m. for distribution across the UK and Ireland.

Our supply chain and processes are all accredited to ISO 9001 and 14001 ensuring the highest standards for quality and environmental management. These quality standards are further endorsed as NET LED is an approved member of the Lighting Industry Association.

NET LED is an official licensee and member of the Philips LED Luminaires and Retrofit Bulbs Licensing Program covering Philips' patented technologies which are incorporated in many commercial LED products, allowing you to purchase with confidence.

NET LED represents quality manufacturers, including:

LG Life's Good

PHILIPS

elp emergency lighting products

Fitzgerald

Liteplan emergency lighting limited

MW MEAN WELL

zano controls

Toppo Lighting

LEYOND

SCHUCH

LED TECH RANGE

The **LED Tech Range** represents manufacturers at the cutting edge of design, energy efficiency and control technology.

LED PRIME RANGE

The **LED Prime Range** contains high quality, high specification products to suit almost any commercial application.

LED BASICS RANGE

The **LED Basics Range** contains high quality products with entry-level specifications.
